BOOTS THE CHEMISTS

Boots The Chemists is market leader in many areas of its business including healthcare, cosmetics, toiletries, baby consumables, films and film processing.

The UK's largest retailer of car parts, accessories, cycles and cycle accessories. The strong and growing Halfords brand accounts for 45% of all sales. Halfords is also the largest garage servicing organisation in the country.

BOOTS OPTICIANS

One of the UK's largest chains of opticians and growing fast. Boots own brand products account for 66% of all sales.

Do It All has a particular strength in stylish and inspirational products for home decoration and garden leisure and a reputation for outstanding service and advice.

The Company Today

Click on each logo for more details

Responsible for the development and marketing of consumer healthcare products in the UK, Europe, Africa, the Indian sub-continent, South East Asia and Australasia. The core brand range includes Nurofen, Strepsils, E45, Lutsine, Onagrine, Balneum and Unguentum.

Develops and produces a wide range of own brand products for Boots The Chemists, consumer products for Boots Healthcare International and numerous products under contract for other major European and multinational companies.

Manages the group's freehold and long leasehold property portfolio. Its prime objective is to give the Boots retail businesses readier access to the locations they seek.
